Booking Requirements & Guest Advice

1. Remember to cater for all your guests' dietary requirements and tastes
2. We suggest you pick from multiple sections so you have a balanced offering for your guests.
3. You can mix and match by booking more options for smaller numbers eg if there are 100 guests you could pick 8 items for 50 people rather than 4 items for 100 people and it will still cost the same but give you more choice of items!
4. All orders must be placed at least 7 days before the date of your booking.
5. Pre-payment is required due to the bespoke nature of the food. This is non-refundable within 72hrs of the booking.
