Booking Requirements & Guest Advice

1. Remember to cater for all your guests' dietary requirements and tastes
2. We suggest you pick from multiple sections so you have a balanced offering
3. You can mix and match by booking more options for smaller number. For example you could pick 8 items for 50 people rather than 4 items for 100 people and it will still cost similar but give you more choice.
4. All orders must be placed at least 7 days before the date of your booking.
5. Non-refundable prepayment is required at the pre-order stage due to the bespoke nature of the food. We will provide an VAT invoice.

Please inform us of all allergies before ordering. Allergies information is available for every dish. We cannot guarantee that there will not be trace amounts of other products due to our production areas. VAT is included in all prices | We do not include service by default, but you can select to do a 10% service which goes in full to the team working on the day.
